## **Statement of Purpose OF Bereavement Committee**

This committee exists to support community members at the time a spouse or partner passes away.

Upon hearing of a loss, a committee member visits the bereaved,

- \* to offer condolence and stay with them, if needed, until a family member arrives,
- \* learns his/her wishes regarding sharing via phone tree or e-mail,
- \* offers to provide meals for visiting family that will be arriving or to host a community center reception.

The Bereavement Committee also keeps a scrapbook entitled "Ceres Gleann Remembers". This book documents memories of each member who has passed away. The memory book is kept in the Community Center.

The committee meets as needed.
