

Ceres Gleann Home Owners Association

Statement of Purpose OF File of Life Committee

- * To provide the resident with a packet that they can fill out and post on their refrigerator side. The Dallas Police and Fire Department will look for this information should they have a medical call to your home and you are not able to provide them information.
- * To contact new residents as soon as practical to find out if they would like to get a packet and participate in the program.

Meeting is not applicable to this committee.
