

Ceres Gleann Home Owners Association

Statement of Purpose OF Widows and Caregivers

What began as a group of 5 of us who were our husband's caregivers has evolved into what we now call Widows and Caregivers. We meet weekly to share; help each other out when needed, but mostly to give us a social time together. A much needed break.

We meet on Tuesdays in one another's homes for now but if we get larger we will again meet in the Community Center.
